The German medical journal *Deutsches Ärzteblatt* praised mRNA vaccines on July 2, 2026, as did the radio station *Deutschlandfunk* on July 4, 2026. These would offer effective protection against infection, severe forms and death.

However, numerous testimonies and studies going in a completely different direction paint a completely different picture of what are called mRNA vaccines.

Un petit trait d'humour, nos zélites qui bien sûr n'ont pas reçu ce poison, ne réfléchissent pas non plus, qu'en aurait-il été s'ils avaient obéit à la loi et avaient reçu le poison?)))))

Jean Lassalle a obéi et s'est fait vacciner. Après il fut gravement malade de problèmes cardiaques. Il l'a dénoncé publiquement. Mais Jean Lassalle ne faisait pas partie des zélites.

On a trouvé de l'oxyde de graphene dans les injections expérimentales « anticovid »à arnm..et il faut savoir que l'on peut interférer via des ondes électromagnétiques sur ce meme oxyde de graphene ! ..d'ailleurs .en laboratoire ils savent changér les comportement des souris à distance via les ondes électromagnétiques ! Ça me rappelle aussi une époque pas si lointaine ou on parlait du phénomène du code mac inconnu émis via le bluetooth par des injectés expérimentaux ! Sûrement une coïncidence..pensez vous bien! 😎…pour ceux que ça intéresse j'ai les sources si besoin🤡

Yes, it's up to each individual to take responsibility for their life choices. Those who accept the RNA are complicit in the system that oppresses them. There is still a choice in this matter. Those who accept the RNA so they can go to a restaurant, then no one can help them.
